

We consider our affiliates as a central part of our community of warriors. We treat each one personally and they are our Ambassadors abroad. Unlike other organizations, we do not believe in large quantities, but a small amount of quality clubs that have been certified within our community after a careful process of filtering.

An important point to mention is that we also do not charge our affiliates a franchise fee. Our goal is to grow together, develop and become a strong community of global warriors. In order to start the process of becoming an affiliate applicant and a central part of our community, we require a standard routine check.

Please send back to us this page with full answers and supporting documents as required. After we receive the required documents, one of our representatives will respond and if you meet the required threshold, our representative will present you with our affiliate program and continue the process.

Threshold requirements:

1. Krav Maga Club/martial arts owner
2. Xfighting certified instructor or ready to enroll in an Xfighting instructor's course
3. Identifying with the organizations values
4. Certified as a Krav Maga/ Known Martial Arts Instructor from another organization
5. No criminal record
- 6 Must be 25yrs of age and over
